Dear Sir:

Upon reviewing the above-identified patent, Patentee noted typographical errors which should be corrected.

In the Specification:

Column 3, line 49, "precursor are may" should read --precursor may--;

Column 4, line 67, "silison-on" should read --silicon-on--;

Column 5, line 9, "deposition a" should read --deposition of a--;

NOV 23 2004

In the Claims:

Column 9, line 32, "based" should read --group--;

Column 11, line 9, "claim 28" should read --claim 27--;

Column 11, line 18, "wherein platinum" should read --wherein said platinum--;

Column 11, line 51, "is preferably of" should read --is--.

The errors in regard to Col. 3, line 49, Col. 4, line 67 and Col. 5, line 9, *e.g.*, in the specification, were in the application as-filed by Patentee. The errors sought to be corrected are minor grammatical and spelling errors which do not affect the scope or meaning of the Patent, and do not involve new matter or require reexamination.

The errors in regard to the claims portion, specifically, Col. 9, line 32 and Col. 11, lines 9, 18 and 51, were not in the application as-filed or amended by the Patentee. These errors now sought to be corrected, are inadvertent typographical errors by the U.S. Patent and Trademark Office, the correction of which does not involve new matter or require reexamination.

Col. 9, line 32, was amended by an Examiner's amendment dated April 22, 2004, to read "wherein said platinum group metal is Pt." The issued Patent now incorrectly reads "wherein said platinum based metal is Pt."

NOV 23 2004

Col. 11, line 9, was incorrectly renumbered by the USPTO. Claim 31 in the issued patent is originally claim 55. Claim 55, as originally filed, recited "[t]he method according to claim 21." Originally filed claim 21 is now claim 18 in the issued patent. The issued Patent now incorrectly reads "[t]he method according to claim 28," and should read "[t]he method according to claim 18."

Col. 11, line 18, was amended by an Examiner's amendment dated April 22, 2004, to read "wherein said platinum." The issued Patent now incorrectly reads "wherein platinum."

Col. 11, line 51, was amended by an Examiner's amendment dated April 22, 2004, to read "wherein said predetermined time is about 75 seconds to about 150 seconds." The issued Patent now incorrectly reads "wherein said predetermined time is preferably of about 75 seconds to about 150 seconds."

Transmitted herewith is a proposed Certificate of Correction effecting such amendment for the errors on part of the Patentee and USPTO. Patentee respectfully solicits the granting of the requested Certificate of Correction.

Please charge our Credit Card in the amount of \$100.00 covering the fee set forth in 37 CFR 1.20(a). Credit Card Payment Form SB-2038, with a signature from an authorized cardholder, is enclosed.

NOV 23 2004

The Director is also hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1073, under Order No. M4065.0069/P069. A duplicate copy of this paper is enclosed.

Dated: November 10, 2004

Respectfully submitted,

By
